CHRISTIAN DISCIPLE FARM!

Join an unforgettable week helping kids with special needs and their families experience joy and growth in an outdoor adventure. Whether as a "buddy" or in other support roles, your contribution creates a memorable experience for all.

VOLUNTEER ROLES

- **Buddies** - Buddies are crucial to ensure campers have a great week. Buddies play games, help with craft projects, push a wheelchair over rough surfaces, etc.
- **Activity Volunteer** - Help run the special activities like fishing, crafts, games, Bible Story, and more.
- **Kitchen** - This would involve setting up and serving lunch each day to all the campers and volunteers, and cleanup.
- **After/Before Camp Runner** - Someone willing to do grocery or other shopping. This would hopefully be someone who wants to help with camp but can't make it during camp.

CHRISTIAN DISCIPLE FESTIVAL

The Christian Disciple Festival is a unique experience designed to work in conjunction with Christian Disciple Farm. Camp at the Jefferson County Fair Park and enjoy activities like canoeing, kayaking, swimming, and hiking. After a day of volunteering, relax with dinner, worship, small group discussions, and late-night games. Don't miss this chance to deepen your faith and connect with others!
